Preview Demo Privacy Notice

Synthetic sample document for local preview only · preview-demo-v2

This notice explains how a demonstration referral would treat the prospect's personal information. It is not a production privacy notice.

Who receives the information

The preview sales team named in the sharing permission, acting for Preview Demo Developer (Sample), receives the information needed to respond to the referral.

Why the information is used

- To review the prospect's interest and stated budget.
- To arrange a viewing or follow-up conversation.
- To keep a record of the referral and its outcome for this preview.

How long it is kept

The preview retention policy keeps referral evidence for 365 days from capture or submission, and closed referral records for 2555 days. Abandoned drafts are removed after 30 days.

Your choices

The prospect may ask the preview team what information is held, request a correction, or withdraw consent before the referral is submitted. Withdrawal stops further use for this introduction.
