Preview Demo Sharing Permission

Synthetic sample document for local preview only · preview-demo-v2

I agree that Property Listify and the named preview sales team may share the information I provide in this demonstration referral for the purpose of evaluating and responding to my property enquiry.

Named recipient: Preview Sales Manager, Preview Demo Developer (Sample), Sales manager.
Purpose: Sample referral introduction for local preview review.

Information that may be shared

My name, contact details, property preferences, budget information and the documents I choose to submit with this preview referral.

My choices

I understand that I may withdraw this permission before the referral is submitted, and that the preview team will stop using my information for this introduction after withdrawal.

Prospect full name
